SPORT SHOT INFORMATION WILL BE POSTED IN THE TOURNAMENT OFFICE

Six (6) divisions: U12 girls, U12 boys, U15 girls, U15 boys, U20 girls, U20 boys

Three (3) youth bowlers per lane. Additional lanes/bowlers will be added as needed. Each division will bowl an initial five (5) qualifying games with the total pin fall determining the youth bowlers who will move on to the next round. After the total pin fall has been calculated and verified for the five (5) games, the field will be cut in half and the remaining youth bowlers will bowl an additional three (3) games. The total pin fall for the entire eight (8) games will be calculated and verified to determine the youth bowlers who will participate in the step ladder finals for scholarship money and Junior Gold spot(s).

After the total pin fall has been calculated and verified for the eight (8) games, the field will be cut to the top four (4) youth bowlers in the six (6) divisions: U12 girls, U12 boys, U15 girls, U15 boys, U20 girls, and U20 boys. These youth bowlers will participate in the step ladder finals for scholarship money and Junior Gold spot(s). There will be a meeting in the tournament office for the youth bowlers who advance to the step ladder finals to hand out lane assignments and explain the procedure for the step ladder finals. Each oncoming bowler during the step ladder finals will receive one frame of practice on each lane before tournament play begins. There will be a warm up pair for oncoming bowlers to practice while awaiting the step ladder finals.

The youth bowlers in the step ladder finals will bowl a single game elimination with the high score advancing to the next game until all youth bowlers have completed the round. If there is a tie for 1st place, the youth bowlers will participate in a one (1) game roll off to determine the winner. All scholarship money will be sent to SMART within 30 days. All scholarship money collected will be returned 100%. Scholarship money will be divided by the number of entries in each of the six (6) divisions.
